Dear Skaggs Catholic Center Parents/Guardians,

The Safety Committee in cooperation with the administration annually reviews drop off and pickup procedures. The Skaggs Catholic Center will be consulting with a traffic engineer and the Draper City Police Department to review campus access points to ensure the continued safety of all students.

The designated pickup and drop off location for SJBMS and JDCHS students who do **not** have a sibling at Saint John the Baptist Elementary is the outer ring road. If you do not have an elementary student, please do not use Bell Tower Circle for drop off and/or pickup.

Effective immediately, cars entering Bell Tower Circle must make ONE LINE of cars along the right curb. The inside of Bell Tower Circle must remain clear for emergency vehicles, thus do not form a second line. **All cars will be required to move with the flow of traffic until they arrive at the drop off/pickup zone in front of Saint John the Baptist Elementary.** No child, regardless of the school he/she attends, may be dropped off or picked up at any other point. **Students from SJBMS and JDCHS using Bell Tower Circle must be dropped off or picked up in front of Saint John the Baptist Elementary in order to keep the flow of traffic moving.**

If you are volunteering or checking your child in late/out early, please park in a designated parking spot. Cars may not be parked along the curb in Bell Tower Circle during the school day.

Finally, it will take everyone's cooperation and patience to ensure that drop off and pickup in Bell Tower Circle runs smoothly. Be kind to yourself. Be kind to others. And be kind to the world around you!
