## **WELCOME AND INTRODUCTION**

Welcome to the ministry of education at Saint John the Baptist Middle School. Committed to excellence, the school's administration, faculty and staff accept the responsibility of guiding each student through the educational process in partnership with the parents. It is imperative that all – students, parents and faculty - work in unison to help each student reach the best of his/her ability.

The school's goals and objectives are to provide a Catholic education. It is the school's endeavor to achieve its goals through a daily schedule of religious and academic subjects taught in a variety of ways.

A Catholic school is one arm of the educational ministry of the Church. The Church seeks to prepare its members to proclaim the Good News and to translate this into action. Your choice to send your child to Saint John the Baptist Middle School indicates that you are interested in the total development of your child. Everyone working together will result in a person prepared to cope with, live in, and contribute to the community in which he/she lives.

The middle school philosophy of early adolescent education was developed during the 1960's in the United States. It is based on the fact that the early adolescent student has unique psychological and physiological needs, and that the middle school approach to education can meet the needs of this age group more effectively. It is our philosophy that traditional junior high schools, which are patterned after high schools, and the self-contained classroom formats of elementary schools do not meet the needs of this developmental stage as well the middle school format.

Children at this age must learn to accept responsibility, become accountable for their learning and actions, and develop into independent learners. They need to learn that their choices will have consequences. It is the school's goal to lead students to the development of self-discipline.

The Parent/Student Handbook is part of the contractual agreement between you and Saint John the Baptist Middle School. Based on the policies of the Diocesan Catholic Schools'

Administrative Handbook and guidelines pertaining to Saint John the Baptist Middle School in particular, this handbook provides valuable information and outlines important school policies and procedures. To the extent the policies of this handbook conflict with any provision of the Pastoral Directives or the Diocesan Policy for Catholic schools the specific provision of the Pastoral Directives or the Diocesan Policy for Catholic schools shall control unless express reference is made as an exception to the Pastoral Directives. While every effort has been made to make this handbook as complete and encompassing as possible, it cannot address all situations. All previously issued handbooks are superseded with the publication of this handbook. We hope it will promote understanding, cooperation and a spirit of support within Saint John the Baptist Middle School's community. Please read this handbook and familiarize yourself and your child(ren) with the information it contains. In addition, the disclosure statement indicating that you have read and agree to abide by the handbook must be submitted by **Friday, August 30, 2019**.

On occasion, Saint John the Baptist Middle School students are photographed during activities, events, etc. and the picture(s) may be used in a newspaper article, advancement newsletter, etc. If you do not want your child's picture to be used throughout the 2018-2019 school year, please notify the school in writing by **Wednesday, August 28, 2019**.

Please consult the handbook prior to calling the school with a question – you may find the answer right here!

The administration retains the right to amend this handbook. Parents/Guardians will be notified in writing of any changes during the school year. Please keep all notifications with this handbook for easy reference.

## **CATHOLIC SCHOOL SYSTEM**

*(Diocesan Policy 1400)*

The Catholic Schools in the Diocese of Salt Lake City are part of the educational ministry of the Bishop of the Diocese. Together, the schools exist as part of a system under the direction of the Superintendent of the Catholic Schools. The Diocesan Catholic School Board acts as an advisory body to the Bishop of the Diocese and the Catholic School Superintendent on all matters concerning Catholic Schools.

## **HISTORY**

After studying the need to build a high school in the south part of the Salt Lake Valley, the Diocese of Salt Lake City attempted to purchase an old public high school building. The diocese lost the bid to buy the school, but two days later on August 10, 1995, Mr. Sam Skaggs offered to assist the diocese in building a new school. In March 1996, the final parcel of 57 acres of land was purchased in Draper and the announcement was made that the diocese would build new Catholic elementary and secondary schools. Bishop Niederauer selected Monsignor J. Terrence

Fitzgerald, Vicar General, and Dr. Galey Colosimo, both experienced Catholic school educators, to facilitate the projects. The 57-acre complex was named the “Skaggs Catholic Center,” after Sam and Aline Skaggs and their family. The elementary and middle schools were named after the mission church in Draper, Saint John the Baptist. The high school is named after the Aztec Indian, Juan Diego, who received the apparition of Our Lady of Guadalupe, in recognition of the Skaggs family long-standing outreach for the poor and minorities, and the growing number of Utah Hispanic Catholics

Saint John the Baptist Middle School opened under the auspices of Saint John the Baptist Elementary School in August 1999. In February 2001, the diocese made a decision to divide the school into two schools, elementary and middle. The elementary school presently has enrolled 4 classes of pre-kindergarten and 3 classes of kindergarten through fifth grade. The middle school has the capacity to educate between 120-140 students per grade level in grades 6-8. Both schools are part of the Skaggs Catholic Center, a Diocesan Center. The generous gift to the diocese from the Skaggs family will serve the Catholic community for generations to come.

Saint John the Baptist Middle School is under the auspices of the Diocese of Salt Lake City. The administration and faculty work closely with Saint John the Baptist Parish and Reverend Terence Moore, and celebrated the dedication of the new church on Sunday, September 7, 2003.

The first principal of Saint John the Baptist Elementary, appointed by Bishop George Niederauer, was Sister Karla McKinnie, CSC. She was one of two Holy Cross Sisters assigned to the Skaggs Catholic Center. The Holy Cross Sisters have been part of Catholic education and health care in the Salt Lake valley for over 100 years. Mr. Roger Marcy was the first principal of Saint John the Baptist Middle School. Mrs. Nikki Ward was appointed principal of the middle school in January 2003. Mr. Jim Markosian was appointed principal of the middle school in June 2009. Mr. Patrick Reeder was appointed principal of the middle school in June 2016.

## **Mission Statement**

Saint John the Baptist Middle School develops the whole student by providing a quality Catholic education in a community environment.

## **Philosophy**

We, the community of Saint John the Baptist Middle School, are commissioned by the Church and delegated by the parents to teach the children entrusted to our care. Our qualified and dedicated faculty and staff provide thorough instruction with the expectation of academic excellence. We recognize and affirm the various needs of learners. Our curriculum incorporates faith-related values, academic standards, and teaches skills necessary for lifelong learning.

We focus on educating the whole child: intellectually, socially, physically, emotionally, and spiritually. As a unique cradle-to-college community, we develop compassion, love, and respect while emphasizing service to others.

  - Exhibit social responsibility through empathy, compassion, integrity and service.
  - Respect and embrace diversity.
- **Effective Communicators** who:
  - Listen actively and work cooperatively
  - Express ideas clearly and creatively

### **COLORS AND SEAL**

The school colors for Saint John the Baptist Catholic Schools are the same as the Juan Diego Catholic High School: navy blue, teal, and silver. The school uniform carries out the base color of navy blue. These colors were chosen because they represent the colors on the dress of Our Lady of Guadalupe.

The school seal is round with the school name surrounding a lamb holding a cross and banner. The lamb is the symbol of Saint John the Baptist. The background contains mountains with a stream flowing from the mountains past the feet of the lamb.

### **ADMISSION AND ATTENDANCE**

#### **Admission Policy**

nonrefundable application fee. Incomplete applications will not be considered. The general schedule for enrollment is as follows:

### **Enrollment Policy**

Application packets for the 2020-2021 school year will be available beginning Friday, September 16, 2019 and must be received by Friday, February 14, 2020 to be considered for current openings. Please note that applications will be accepted after February 14, 2020 as openings may occur between acceptance of new students and the beginning of the following school year. Students from the 2019-2020 waiting list will not be considered for enrollment unless parents submit an updated application packet. Applications will not be compiled on a first come, first served basis. Students may not apply unless they will be of school age on September 1 in accordance with the admittance policy. Admittance of students in good standing will be based according to the following priorities, as deemed by the Diocese of Salt Lake City, as space is available and at the discretion of the school's administration:

### **Saint John the Baptist Middle School**

1. Children presently enrolled.
2. Siblings of students enrolled at Saint John the Baptist Middle School.
3. Children of active members of Catholic parishes without a school.
4. Siblings of students enrolled at Saint John the Baptist Elementary and/or Juan Diego Catholic High School.
5. Children of Catholic parishes with a school.
6. Children from non-Catholic families.

### **Admittance** (*Diocesan Policy 3000*)

Every Catholic child is given preference for a Catholic school education, presuming there is space available and that he/she can profit from the school program offered. Appropriate inclusion recognizes and affirms the unique learning styles of students with varying exceptionalities. We recognize the responsibility to provide a learning environment that fosters growth and considers the individual needs of the child. To the extent possible, the Catholic schools will serve children with special needs in general education classes.

New applicants must provide birth, Sacramental certificates (Baptism, First Communion – if applicable) and proof of all necessary immunizations to be on file before a child is admitted. A physical examination is also required for all incoming students.

Students entering Saint John the Baptist Middle School must present evidence of satisfactory conduct and academic achievement from the previous school attended. **All students are**

**admitted on a one-year probationary status.** Saint John the Baptist Middle School **does not** have special education classes and **is not** able to provide an adequate program for serious learning disabilities.

**Inclusion** (*Diocesan Policy 3010*)

The Catholic Schools of the Diocese of Salt Lake City support the concept of appropriate inclusion in our schools. Appropriate inclusion recognizes and affirms the unique learning styles of students with varying exceptionalities. It is within this context that children with special needs are welcomed into the Catholic school community. Catholic schools recognize their responsibility to provide a learning environment that fosters growth and considers the individual needs of the child. To the extent possible, Catholic schools will serve children with special needs in general education classes.

Inclusion is a process. It involves the ability to communicate with a group of learners with diverse needs. Inclusion is not a program or a placement. Inclusion is a philosophy of teaching that relies on the abilities of educators to promote an environment that respects and reverences the rights of students to learn in regular education classrooms in Catholic schools.

Inclusion fosters collaboration of all teachers and parent(s)/guardian(s) working together for the common good of all students, especially those with varying exceptionalities. Inclusion implies preparedness, continuing education, and ongoing communication.

Appropriate inclusion can work effectively for a large number of students with disabilities and learning difficulties while enriching the classroom experience of all students. The Catholic schools acknowledge that promoting appropriate inclusion without providing the resources needed to make it work effectively for students and teachers offers a false promise of improved opportunities for students with special needs and assures a strong possibility for disruptions in the learning environment. For inclusion to achieve its full potential in the classroom, a primary requisite is that parent(s)/guardian(s) and staff commit themselves to ongoing education and staff development that will foster a greater understanding and respect for children with special needs.

Teachers question their ability to educate children with special needs. While it is true that special course work has a benefit, it is also true that good pedagogy benefits all children.

The Catholic schools offer a loving and safe environment. Catholic parent(s)/guardian(s) should be able to choose a Catholic education for their children with disabilities and learning difficulties. Children who have disabilities could be a gift to any school. They could teach acceptance of diversity, respect for all people and gratefulness for one's own gifts. It could be a win-win situation for all, especially the students.

**Respect for Persons with Disabilities** (*Diocesan Policy 3020*)

Catholic schools in the Diocese of Salt Lake City are to comply with the regulations on people with disabilities [Section #504 of the Rehabilitation Act of 1973 and Americans with Disabilities Act (ADA) of 1990/ADA Amendments Act of 2008] to the extent that they may apply to private educational programs.

**Class Size**

Saint John the Baptist Middle School follows the Diocesan policy of a maximum class size of 35 students.

**Non –Discrimination and Compliance with Title IX Education Act** *(Diocesan Policy 1200)*

All schools are required to publish their yearly statement affirming non-discriminatory policies regarding race and gender (Title IX) in the treatment of students and the employment practices of the school. These statements and the method of publication are to be dated and maintained in the administrative school file. These files are to be available to government and diocesan personnel.

**Proof of legal name, age and custody**

Before any child is admitted to Saint John the Baptist Middle School, the child's parents or guardians shall present the child's birth certificate to school authorities in order to verify the child's legal name and age. At least one parent/guardian of the child must sign the child's application for admission to the school. In case of divorce, records, including a certified copy of the Decree of Divorce, must be on file stating who has custody and when. In cases where the child's name differs from the birth certificate, additional and supporting legal documents will be required.

**Student Name**

Upon admission to Saint John the Baptist Middle School, a student shall be registered under the name that appears on the student's birth certificate. This must appear on the attendance register, permanent record file, and report card. The student may use a “preferred” name on papers, reports etc.

**Immunization Requirements** *(Diocesan Policy 5110)*

Saint John the Baptist Middle School complies with the current Utah State Law, requirements for immunization and health assessment as established by state and local health authorities.

The Utah Department of Health and the Catholic Diocese of Salt Lake maintains that students who have not been properly immunized or medically exempted from requirements of immunizations are to be excluded from school until requirements are met.

Annual immunization statistical reports must be submitted to the Department of Health.

4 or 5 DTP (Four if the 4<sup>th</sup> is given after the student's 4<sup>th</sup> birthday.)

4 Polio

2 MMR

3 Hepatitis B

2 Hepatitis A (Required for all kindergarten, 1<sup>st</sup> and 2<sup>nd</sup> grade students.)

1 Varicella (Required of all kindergarten, 1<sup>st</sup> and 2<sup>nd</sup> grade students or history of chicken pox disease.)

### **Students Entering 7<sup>th</sup> Grade**

As deemed by the Utah Department of Health, students entering 7<sup>th</sup> grade must have proof of receiving the following immunizations: 3 Hepatitis B, 1 Tetanus/Diphtheria (Td) booster and 1 Varicella (chickenpox).

### **Immunization Exemption**

A medical exemption of immunizations is the only exemption accepted and only if the correct procedures are followed as written and enforced by the Utah State Health Department. Information is available by calling (801) 538-9450.

### **Physical Examination**

All students entering Saint John the Baptist Middle School must have a physical examination by a medical professional prior to starting school. A *Unified Health Appraisal Form* is available in the office.

## **Attendance and Absences**

*(Diocesan Policy 3110)*

Regular attendance has a direct correlation with learning and achievement. Students should be in school except for illness or emergencies. Students may have difficulty maintaining acceptable progress if they are not in the classroom consistently and on time. Learning activities that take place in the classroom are impossible to recreate and the best quality learning opportunity will be the one the teacher has planned and created when he/she presents the lesson for the whole class.

If a child is absent, a parent is requested to call the school office by 9:00am. This does not excuse a student from school. If a student is too sick to come to school on a given day, he/she may not participate in any extracurricular activities that afternoon/evening (dances, sports practice, performances etc.).

### **Excused Absences**

Absences due to personal illness, severe illness in the family, death in the family, for medical, dental, optometry appointments or for similar situations in which it is not possible for the student to be in school are excused. **A doctor's note is required after three (3) consecutive days of absences. If the student has had an injury or illness that restricts activities, a physician's note is required.**

### **Unexcused Absences**

Vacations and any other reason not listed above.

### **Make-up work for all absences**

Work will **not** be given in advance for absences.  
Grade level late work policies will apply.

It is the **student's responsibility** to request assignments upon returning to class and to make arrangements to complete missed assignments, exams, tests, quizzes. Tests, exams, and quizzes not taken within one week of returning to school will be counted as a "0" and may not be completed. Students may make arrangements for a peer to bring home necessary books and materials if they are absent for an extended period of time (more than two days). **Parents may request homework when a student is absent more than two days by contacting the HomeBase teacher.**

### **Insufficient Attendance**

Students with 8 or more class absences (excused or unexcused) in a given quarter may not receive a grade for the course(s). Students in this situation will receive "IA" for the course, reflecting that they had insufficient attendance for the course(s). An "IA" will count as a zero toward a student's grade point average.

## **TARDINESS/STUDENT CHECK-IN AND CHECK-OUT**

Students are expected to be in their first period class by 8:00 a.m. Students arriving after 8:00 a.m. are considered tardy, whether excused or unexcused, and must report to the office to be admitted to school. The reason for the tardiness must be communicated by parents to office personnel either by written note or in person. The student will then be given an admittance slip and may proceed to class. Middle school students must be on time to each class. Work missed by tardy students may not be allowed to be made up and may impact grades. Students arriving 15 minutes or more to class will be marked as absent.

Just as it is important to arrive on time in the morning, it is also significant to a student's success to be in each class at the appointed time. Students are given a five-minute passing period. This is more than sufficient time to arrive in class, be seated and ready to learn. Being tardy to class adversely impacts the student's citizenship grade.

Tardiness will be considered excused for the following reasons:

1. Personal or family illness/emergency
2. Medical appointments (with written note from the doctor)
3. Extenuating circumstances as determined by the principal.

**Tardiness without written communication from parents will be considered unexcused. Excessive tardies may result in detention and/or a meeting with the administration and/or disciplinary consequences. Continued tardiness or non-compliance with the above interventions may result in the child's suspension or removal from Saint John the Baptist Middle School.**

**Release of Students from School** *(Diocesan Policy 3120)*

Parents/guardians presume their child is under the care of the school during school hours. At no time during the daily school session, including lunch, shall students be allowed to leave the school grounds except when released to the parent/guardian/authorized representative of the parent/guardian. The principal shall not honor a telephone request for a student early dismissal to someone not listed on the emergency pickup in the SJBMS portal. Parents are asked to make medical, dental and other appointments after school whenever possible. When it is necessary to leave school prior to dismissal, students must be checked out through the office; parents/guardians/authorized representatives must pick up the student at the office and sign them out. Students will only be released to their parent/guardian and/or individuals listed as emergency contact/authorized pickup. Emergency dismissals may be made at any time by the principal when a serious condition warrants it.

Every time a SJBMS student is being released during the school day to an authorized individual who is a student at JDCHS, parents must notify the office with verbal or written authorization.

Students should not be detained unduly after school without the knowledge/permission of parents/guardians.

**STUDENT CUMULATIVE RECORDS**

*(Diocesan Policy 3700)*

Full and accurate cumulative records of each student's attendance and academic progress are kept on file permanently. Only authorized personnel may have access to these records.

**Access to Records**

Parent(s)/guardian(s) wishing to see their children's cumulative records should request an appointment. Such arrangement ensures that a qualified person will be available to answer questions and interpret the recorded data. Each school shall adopt procedures for the granting of requests by parent(s)/guardian(s) to inspect and review records during regular school hours. Access shall be granted no later than five days following the date of request.

**Non-Custodial Parents**

Each school abides by the provisions of the Buckley Amendment and Utah law to the extent they may apply with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, the school will provide the non-custodial parent with access to the academic records and to other school-related information regarding the student. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order. This is kept in the cumulative record.

### **Privacy of Student Records**

Apart from the above provision, the school shall not give any personal information to any person unless the person is one of the following:

1. Parent and/or guardian
2. Parent /guardian of an 18 year old pupil who is a dependent as defined in Section 152 of the Internal Revenue Code of 1954
3. Persons permitted access to pupil records by parent(s)/guardian(s)' written Consent
4. Diocesan school officials and school administration
5. Federal, state, and local education officials when the information is necessary to counsel or evaluate programs that are publicly funded (such as public officials when the law specifically requires that such information be reported to them)

A record must be kept showing who has accessed the individual student file other than teacher and administration. Each school shall determine the procedure for this information.

### **Transfer of Records**

When a pupil transfers from one school to another a student withdrawal slip is issued and the school from which the student transfers keeps the permanent record and sends the following to the new school and gives a copy to parent(s)/guardian(s) if requested:

1. Original health records
2. Copy of transcript of grades
3. A copy of test results
4. Attendance records

The student's permanent record must contain the date and reason for the transfer. The date of transfer should also be recorded in the school's attendance register.

A reasonable charge may be made for a transcript, not to exceed the actual cost of furnishing copies of pupil records.

Confidential reports from an agency or professional individual, such as a resource teacher or psychologist, should be filed separately from the cumulative records. These reports may not be transferred with other student records without the written permission of the parent(s)/guardian(s) and, in the case of an outside agency, of the responsible agency. (Example: IEP, psychological test data)

No school may withhold records for lack of tuition payments.

## **RELEASE OF DATA** *(Diocesan Policy 1700)*

Federal, state and private agencies frequently request educational data from schools and parishes. This data affects eligibility for participation in numerous programs. Once the data is released, it not only must be substantiated but must be consistent with statistical data of other years.

### **Release of photos/information to Media**

On occasion students are photographed during activities and events. The picture(s) may be used in a newspaper article, advancement newsletter, website/social media or marketing brochure. Parent(s)/guardian(s) who do not want their child's photograph to be used throughout the school year must notify the school in writing.

## **DRESS CODE**

Students are expected to be dressed in a manner consistent with accepted Christian community standards of good taste. The school administration shall develop, publish and maintain uniform and/or dress code regulations.

Each Catholic school in the diocese requires the wearing of a school uniform.

### **Saint John the Baptist Middle School Uniform Policy**

It is important for all students to present an appropriate appearance at all times. The "appropriate" dress standard applies to all students while on campus. The uniform policy will be enforced during school hours. It may also be enforced at school sponsored and school related events. **Parent cooperation in following the policy is a necessity.** The complete, correct uniform is required at all times. Uniform clothing **MUST BE PURCHASED** from Saint Paul's Place. **Uniform items from other vendors are not allowed and students will be excluded from school until the proper uniform has been purchased.** Students who do not abide by the uniform policy will receive a \$5 fine for each occurrence and may be sent home or held in the office until the proper uniform item is delivered by a parent/guardian. **More serious consequences may be imposed for frequent offenders.** **The administration has the discretion and final decision with respect to interpretation of the uniform policy.**

**Line of Authority**

As parents have delegated a share of their authority to teachers, it is imperative that there is a genuine unity of purpose and practice between home and school. Saint John the Baptist Middle School's goal is to solve conflicts at the lowest possible level by communicating directly with the party involved in a positive manner. For this reason, parents are urged to follow the following procedures when concerns or questions prompt an investigation of a school-related incident:

- **LISTEN** to what your child says, but remember you are only hearing one side of the story.
- **DISCUSS** the situation honestly with the teacher and child together.
- **CONTACT** the administration only when the situation requires additional decision-making.

It is important that parents contact the correct person in the line of authority and go to a higher authority only when necessary.

**Line of Authority: Teacher ... Administration ... Superintendent**

One of the most common causes of disunity is to have parents criticize teachers in the presence of children. When this occurs, it undermines the credibility and authority of the teacher. If a problem arises please communicate with the proper school official as per the line of authority stated above.

**Newsletter**

A school newsletter will be available at least once a month at [www.sjb-middle.org](http://www.sjb-middle.org) and sent home with students upon parent request. This newsletter is the regular communication vehicle between home and school.

**Communication with Non-Custodial Parent**

Noncustodial parents wishing to receive a copy of the school newsletter must ensure email addresses are current with school.

### **Web Site Information/Power School**

Saint John the Baptist Middle School's web site is a valuable source of information, including the school year and monthly calendars, Saint Joseph Common's daily menu, a daily bulletin, sports information, PowerSchool and more. Through PowerSchool parents have access to their child's academic progress, quarterly attendance and lunch balance in addition to being able to communicate with the faculty and staff through the email function. Each family is assigned a personal access number, which will be sent home at the beginning of the school year. Please note that access to students' grades will be available beginning Wednesday, August 28, 2019 at [www.skaggsatholiccenter.org](http://www.skaggsatholiccenter.org) or [www.sjb-middle.org](http://www.sjb-middle.org).

Saint John the Baptist Middle School encourages parents to utilize PowerSchool to check their child's academic progress. If necessary, a parent or teacher may request a conference at any time. Communication with teachers is encouraged through email and voicemail. Addresses and extensions are published at the front of the handbook.

**It is expected that conferences with teachers and/or administrators be scheduled in advance. Please do not "drop in" and expect a teacher or administrator to be available for a conference.**

### **Interruptions**

Once school has begun, parents may not go to a classroom with forgotten items, etc. Parents and visitors are to check in at the office upon arrival. The office staff will ensure that your child receives his/her items. Items may not be given until end of day.

### **Back to School Night**

A Back to School meeting will be held at the beginning of the school year. Handbook policies and expectations are discussed. In addition, there is an opportunity for parents to visit with their child's HomeBase teacher where general classroom procedures, homework, school policies, and methods of cooperation and support will be presented.

### **Student Led Conferences**

Student Led Conferences are held at the end of the first quarter and in the third quarter. Please consult the calendar for exact dates. In this format your child will direct the conference, sharing evidence that best represents his/her growth. The majority of your time will be spent examining samples of your child's work and celebrating his/her accomplishments. Your child's advisor will briefly join the conference to share his/her perspective, answer questions and assist with goal setting.

### **School Visitation**

Visiting the school is welcomed by the school in order for parents to observe their children at work. It is requested that you contact the principal at least two days before your visit to determine whether or not it will be convenient for the teacher(s) to have visitors. Upon arrival at school, please obtain a visitor's pass in the office. When visiting, parents are requested not to disturb students or class schedules by talking with the teacher or students.

### **Telephone Use**

Student use of the school phone is limited to school-related matters. Permission to call will only be given at the discretion of the administration.

### **Messages**

Relaying messages to the students is an interruption of the educational routine. Therefore, only true emergency messages should be called in to the office staff. It is the responsibility of each parent and student to discuss and make all arrangements for transportation and after school activities prior to arrival at school.

### **Catholic School Discipline** *(Diocesan Policy 3300)*

### **Saint John the Baptist Middle School's Expectations for Student Behavior**

As a center for Catholic education, Saint John the Baptist Middle School believes that discipline is the student's ability to manage him/herself within the limits set by school policies and procedures. It is expected that students show respect for self and others so that goals and objectives may be accomplished. Parents/Guardians share equally with the teachers the responsibility for discipline. Unacceptable behavior deprives the others of the right to a positive learning environment. Acceptable behavior provides a climate where students can learn and grow.

**Each staff member has the right and duty to redirect any student of any grade level.**

Certain behaviors are totally out of context in a school where the primary focus is on living the tenets of Catholicism. Some behaviors are minor infractions while others are more serious. Consequences will vary according to the nature and seriousness of the infraction. **Consequences will be designed to fit the problems of individual students, and they may be different even**

**when problems appear to be the same.** Consideration will be given to the circumstances involved and prior offenses committed by the student.

To be successful at Saint John the Baptist Middle School students are expected to be working toward the achievement of our Integral Student Outcomes.

The student may be placed on a Disciplinary Probation Contract, suspended or asked to withdraw. If the student remains at Saint John the Baptist Middle School, he/she may be on a disciplinary contract for a portion or the remainder of the school year. ### Academic Honesty

Saint John the Baptist Middle School regards academic honesty as a cornerstone of its educational mission. It is expected that all schoolwork submitted to the purpose of meeting class requirements represent the original efforts of the individual student. Administration, faculty, students and their families are important contributors to upholding the academic integrity of the school community. To this end, it is important that all involved understand their integral role in helping to promote a climate of academic honesty. **All forms of academic dishonesty are considered serious discipline offenses, an academic consequence of zero credit will apply along with a drop in citizenship.**

### **Meetings**

Meetings will be held at various times throughout the year. Students must bring a note from their parent/guardian if they cannot attend a meeting. After missing one meeting without an excuse, students will be placed on probation. If a student misses a second meeting without a note, they will be dismissed. Attendance at assignments is required, a NJHS moderator must clear any absence. Failure to attend assignments may result in probation or dismissal.

## **FINANCIAL OBLIGATIONS**

**Cost-Based Tuition and Fees** (*Diocesan Policy 6510*)

**Need-Based Tuition Aid** (*Diocesan Policy 6520*)

**Parish Support** (*Diocesan Policy 6520*)

### **Tuition Rate**

Tuition for all elementary/middle schools is determined by the Catholic Schools Office based on the average cost per student of all elementary/middle schools. Reporting of expenses to determine cost per student will be based on a common chart of accounts for elementary/middle schools. The bishop gives final approval to the tuition schedule.

Tuition rates are posted on the [sjb-middle.org](http://sjb-middle.org) website.

### **Fees**

Schools can charge per student or per family fees to defray the costs not included in the cost per student included in tuition.

### **Financial Aid Assistance**

Need based financial aid is available for financial hardship and special circumstances.

Applications are available in the Finance Office at Juan Diego Catholic High School. A copy of your current Federal tax return 1040 or 1040A must accompany completed financial assistance

forms. The Financial Assistance application along with a copy of your Federal tax return must be sent to FACTS Grant and Aid Assessment (FGAA) by the published deadline. **Applications for financial assistance must be completed each year.**

FGAA will review all applications. All requested information is kept confidential. All required information must accompany the form or it will not be considered. All students who submit tuition assistance applications by the published deadline will be notified by the school as to the amount of assistance the school is able to grant them for the following school year as soon as possible.

#### Registration/Re-enrollment Fee

A \$100.00 nonrefundable registration/re-enrollment fee is due annually (\$25.00 processing fee; \$75.00 will be applied to the general fee).

#### General Fee

The following are the General Fees, which covers the electives program, Wiegand Learning Center programs, Language Arts consumables, lunchroom supervision, HSA membership, lab fees, yearbook, 8<sup>th</sup> grade graduation and computer fee.

Grades 6-7: \$605

Grade 8: \$655

#### **FACTS Tuition Management Program**

Saint John the Baptist Middle School uses a tuition management system, FACTS, for tuition collection. Tuition is due monthly, with a choice of automatic payment on the 5th or 20th of each month. All tuition is collected by automatic bank withdrawal utilizing the FACTS system. Parents also have the option of paying the total tuition and fees in one payment in advance; this payment is made directly to the school.

#### **Non-payment of Tuition**

Should families who are delinquent in tuition payments, not be forthcoming in explaining the root cause of the non-payment, then the following steps shall be taken:

- After a non-payment period of thirty (30) days with no explanation to cause, a letter with the principal's signature will be sent from the school, requesting payment or arrangements for payment.
- If there is still no response after an additional period of two weeks, a second letter with the principal's signature will be sent home with the student, along with a receipt that must be signed as having been read by the parent or guardian. The content of this letter will include a request that the parent or guardian meets with the principal concerning tuition matters within two weeks, or the student will not be permitted to return to school.

Once the responsible family member meets with the respective principal, the issue can be addressed as previously mentioned (work out ways to get the tuition current, forego tuition). However, should the principal detect that the means is there to pay tuition but there is a flagrant

disregard to do so, (e.g., entitlement issues, waiting to see how student does in school before paying, etc.) then the principal may request the student(s) be withdrawn from the school.

### **Fundraising and Development**

Fundraising and development will always be a necessity in our Catholic School system. The cost to educate a child is not fully covered in the tuition and fees. Operational costs must be supplemented by fundraising and development efforts.

Each family is expected to participate in the Home & School Association fundraising activities. There will be a stated goal for each fundraiser and a fundraising goal for the year.

Parents are the primary fundraisers, not the children. Parents are encouraged to involve their children when possible, keeping in mind their safety. In addition, the Diocese may sponsor an annual fundraiser, and all families are asked to support this effort.

### **Fines/Fees**

Students will not be allowed to start the school year/quarter if fines are not paid and/or worked off. Fines must be paid weekly. Report cards, yearbooks and other items may be withheld from students with unpaid lunch balance, library or middle school fines, and outstanding finance department items.

## **INSTRUCTIONAL PROGRAMS**

### **General Curriculum**

All schools in the Diocese of Salt Lake City are required to adhere to the Diocesan Curriculum Guideline. These guidelines have been professionally and thoroughly researched. Guidelines are established through investigation of many professional organizations and documents such as the Utah Core Curriculum Guide for elementary and secondary schools, the Northwest Accreditation Association, the Western Catholic Educational Association, and the National Catholic Education Association. Copies of the Curriculum Guides for the Diocese are kept in the school office should a parent/guardian desire to have more specific information regarding the curriculum for each grade.

### **Planners and Book Bags**

All 6th grade students must purchase a planner from Saint John the Baptist Middle School and have it with him/her in every class. This teaches students to be organized and accountable for following up on homework assignments. A book bag, for carrying items to and from school is necessary. All book bags must be kept in backpack room.

### **Books and Supplies**

Books will be provided for each grade level and subject. Although a book fee is paid, this does not give ownership to the individual student. In order to keep the books in good condition and prevent frequent loss, all books must be covered. Damaged books will be charged partial or complete replacement cost.

Although some supplies will be provided in classrooms, each family must provide personal school supplies. A list of requested supplies is provided by the school prior to the beginning of each year and individual teachers may require additional supplies.

**Field Trips** (*Diocesan Policy 4500*)

**Students may not participate in field trips unless an official school form is signed by a parent/guardian and returned by the assigned date. Students will not call home if the form is forgotten. Permission by way of telephone or with an unofficial signed note is unacceptable.** A teacher can deny a student the privilege of participation in an activity outside the school or require a student's parent to accompany the student for reasons relating to unacceptable behavior.

**Library**

Saint John the Baptist Middle School students may check out three books for 25 days with 1 renewal. The students will be assessed a fine of \$.25 per day for each overdue book, with a maximum fine of \$5.00 per book. If the fine reaches the maximum of \$5.00, the student's Internet access will be suspended until the fine is paid.

Magazines may be checked out for two weeks with an overdue fine of \$.25 per day. The maximum fine for an overdue magazine is \$2.00. If the clear plastic holder is damaged beyond reasonable wear, the fine is \$1.00.

Students with overdue items and/or fines will be notified via the office.

A damage or replacement fee will be assessed on all library books lost and/or damaged.

- 1/3 the cost of the book for some damage
- 1/2 the cost of the book for considerable damage
- Full price if the book is damaged beyond repair or lost

If the lost book is returned and is in acceptable condition, the full amount that the student paid for the book will be returned.

Students are discouraged from checking out items for others. The borrower is responsible for any damage or fines.

At this time, students may not check out videos or DVD's. They are for classroom curriculum use.

**Religion**

Saint John the Baptist Middle School is a CATHOLIC school whose very reason for being is to further the message of Christ. All students participate in religion classes, as well as school wide prayer, religious services and Mass. Religious values and teachings are integrated into the total curriculum.

### **Schedule**

Students will be allowed to enter Saint John the Baptist Middle School at 7:40am.

Your student should be picked up promptly at dismissal time. **The school assumes no responsibility for students on the premises before 7:40 a.m. or after 3:10pm.** Students are not allowed on the Skaggs Catholic Center campus unless they are involved in an after-school activity, and will not be allowed to remain in Saint Joseph Commons or the halls of Saint John the Baptist Middle School or Juan Diego Catholic High School. It is the responsibility of parents to ensure that arrangements are in place to have their child(ren) picked up at dismissal.

### **Standardized Tests**

Students take ACT Aspire in April. Results help determine academic standing and projected needs of the students. The tests help teachers plan programs to address the academic needs of the students.

## **HEALTH, SAFETY AND EMERGENCY**

### **CHILD ABUSE AND SAFE ENVIRONMENT PROGRAM *(Diocesan Policy 5200)***

#### **Communicable Diseases/Lice**

If your child contracts head lice or a communicable disease, it is the obligation of the parent to inform the school. Should the condition be noticed at school the parent will be called and the child may not return to school until proper treatment is administered. A doctor's release must be presented when the student returns to school. Parents in the class of the child will be informed of the problem so they will be aware to observe their child for a similar outbreak. Should there be an epidemic, it is possible that the school would close until it is safe to resume.

#### **Medication *(Diocesan Policy 5120)***

Any medication sent to the school must be in the bottle received from the pharmacy (over-the-counter drugs must be in their original containers). **Do not send medication in other containers (no baggies).** All medication must be **left in the office.** For children who take medication on a regular basis, a form from the doctor and the parent will need to be on file in the office of the regular time and dosage. **Medication is not allowed at any time in the student's possession, backpack, or desk.** The child will come to the office to get his/her medication at the time it is to be dispensed. A record will be kept in the office of any medication dispensed. **All medical authorizations must be renewed each school year.**

#### **Self Carry/Use of Metered Dose Inhalers**

Legislative General Counsel Bill 53A-11-602 was enacted to allow asthma medication to be carried and self-administered in the school setting. Saint John the Baptist Middle School shall

permit a student to possess and self-administer asthma medication if 1) the student's parent or guardian signs a contract, which authorizes the student to self-administer asthma medication and acknowledges that the student is responsible for, and capable of, self-administering medication, 2) if the student's health care provider provides a written statement indicating that it is medically appropriate for the student to self-administer asthma medication and be in possession of asthma medication at all times and 3) the name of the asthma medication prescribed is for the student's use. Please note that Saint John the Baptist Middle School holds no responsibility for the student's medication whereabouts or use. Students must understand the importance of seeking additional medical assistance if the self-administered dose does not correct the problem and to remember when the inhaler was last used.

### **Emergency Information Sheet**

Each family must have on file, a current and fully completed emergency sheet with information pertaining to each student. The sheet is to be completed and signed at the beginning of each school year for each student.

When a student becomes ill or is the victim of an accident, the parent or guardian will be contacted immediately. In emergency situations, if the parent cannot be reached, the school will follow the instructions on the student's emergency sheet. The signed sheet suffices for parent authorization when parents cannot be reached in emergency situations.

**Emergency sheets must be kept up to date.** Please, notify the school in writing whenever there is a change in your address, phone number(s), or other pertinent information. Up-to-date records are important in handling emergency situations. **No student will be released to any person not listed on the emergency sheet.**

### **Emergency Procedures**

An emergency procedure will be on file in the school. Staff will be aware of the procedure for all kinds of emergencies. In the case of a long power outage, sewage problem, snowstorm, or other disaster, students will remain at school unless parents come to pick up their children. No one will be released to someone other than a parent without prior authorization.

### **Fire/Earthquake Drills**

Fire and earthquake drills are held regularly throughout the year. Proper discipline, rather than speed is the goal of the drills. Each class has a designated exit procedure to be followed whenever the alarm sounds.

### **Illness and Accident Reports**

In case of accident or injury, the school will apply basic first aid procedures. If further medical care is necessary, the parent and/or contact person on the emergency sheet will be notified immediately. Students should be picked up within 30 minutes after notification of parent or authorized person on the emergency form. Parents are responsible to have at least one person listed on the emergency form that can be contacted when parents cannot be reached. **Up-to-date emergency forms with all current phone numbers are vital.**

The safety of students is a matter of vital concern. Every effort is made to prevent accidents and to ensure the safety of the students. Parents of students with allergies are obliged to have information on file on the emergency sheet listing allergies and special health problems.

### **Medical Appointments**

Early dismissal for medical and dental appointments is granted when a written request is made. The time spent in treatment is legally credited as attendance and is considered an excused absence. Parents are urged to keep such requests to a minimum and are encouraged to make arrangements for these appointments after school hours. We suggest Wednesday afternoon when students are dismissed early. A note to the office will enable us to have the student ready in the office upon your arrival. **All students must be signed out at the office before being taken for any early dismissal.**

### **School Closure for Inclement Weather**

If, for some emergency reason, school will not convene, television and radio stations (**local media**) will broadcast the message regarding school closures. Should the school be in session, it is the prerogative of the parents to decide whether or not their children will attend school on days of severely inclement weather. The school will honor the parents' decision.

### **Illness**

**Do not send your student to school when he/she is sick.** Besides the need to protect other children from infection, there is no facility to care for sick children and they will be sent home. If both parents work, arrangements will have to be made to have someone pick up the sick student. We will not send sick students home alone. **A written note to the middle school office is required to excuse an absence.**

## **PARENT INVOLVEMENT**

### **Relation to School Community and Philosophy**

Parents are the primary educators of their children. Parent involvement is therefore highly encouraged and important to the success of the total school program. Open communication between home and school facilitates the growth of the Saint John the Baptist Middle School Community and provides an opportunity for teachers and parents to work together for the good of the students.

Saint John the Baptist Catholic Schools expect parents to conduct themselves in a manner which is consistent with Christian standards of morality regarding their support, behavior and dress. Parents represent both the schools and Skaggs Catholic Center while on campus, at school-sponsored events and in the greater community, in the way they dress, the way they behave and by their interaction with others. All parents are expected to promote the Catholic community and the values and behaviors espoused by the Diocese of Salt Lake City.

**Home & School Association** (*Diocesan Policy 1510*)

The Home & School Association (HSA)'s primary purpose is to support the school's mission. Working under a Constitution and By-Laws that follow the national guidelines from the National Catholic Education Association (NCEA) the Home & School Association facilitates communication between home and school. HSA works with the administration to support the school in many ways. The Association raises funds throughout the year to help the school with special needs. The Home and School Association has a monthly executive board meeting; all parents are invited to attend. Requests for inclusion on the agenda must be submitted in writing to the principal or HSA president at least seven days in advance.

The primary purpose of a parent organization is to support the school's mission. This is done primarily by:

- Volunteering help in school programs and activities and supporting all volunteer efforts needed in the school.
- Organizing and supporting fund raising efforts to financially support the school and its programs.
- Supporting the school by giving positive feedback to publics.

**Meetings**

Home & School Association (HSA) sponsors parent meetings throughout the school year. Please consult the school calendar for specific date. All parents are members of the Home & School Association; regular attendance at these meetings is strongly urged.

**Parent Service Program**

Saint John the Baptist Catholic Schools has initiated a Parent Service Program. Each school year, parents/guardians are required to contribute a minimum of twenty-five (25) hours to Saint John the Baptist Catholic Schools. This policy helps to achieve the goals of providing quality programs for the students and building community. Involvement in the form of service is preferred, but in lieu of service, families will be required to pay \$25 for each non-performed service hours. Ten (10) of the twenty-five (25) hours may be performed at Juan Diego Catholic High School or Saint John the Baptist Parish. Service given to entities outside the Skaggs Catholic Center does not count toward the required hours.

Each family is required to complete a Volunteer Opportunities form electronically each school year. This form will list various parent volunteer opportunities, which are numerous. And include library help, tutors, classroom assistants, room parents, field trip chaperones, coaches, office assistance, etc. Training is provided, if necessary. Service opportunities may be published in the school newsletter or parish bulletin. Parents may contact the person in charge of the service project to volunteer. Parents keep track of the service hours on the computer in the school office. **Families will be provided ample opportunities to volunteer.**

It is expected that parents are confidential with information about the children with whom they work in the classrooms, library, lab, and correcting papers, tests, etc.

The present requirement is 25 hours of service per family or \$625 (\$25.00 per hour) in lieu of service. Parents will be charged, at the end of the school year, for any hours, at \$25.00 per hour, for service not completed. It is preferred that each family give service rather than money to build community between the school and home.

### **Mandatory Meetings**

At least one parent is required to attend the following:

- Back-to-School Night
- Student Led Conferences

Time spent attending each meeting counts toward the 25-hour parent service program requirement.

### **Middle School Liaison**

This person is the link between the Home and School Association and Saint John the Baptist Middle School. This person will assist the HomeBase parents, who assist the teachers, in building the community by participating in service projects, fundraisers, etc.

### **School Board**

School Boards are consultative to the administration of the school in the area of policy and long range planning. Standing Committees usually consist of a Finance Committee, a Development Committee, an Election Committee, and a Planning Committee. Other committees may be formed as needed. The School Board meets monthly; all parents are invited to attend. Requests for inclusion on the agenda must be submitted in writing to the principal or school board president at least seven days in advance. School board members may be appointed or elected and to serve a three-year term.

## **MISCELLANEOUS**

### **Lockers**

Locker use is a privilege, not a right, and students should remember that the lockers are the property of the school. Lockers are to be kept clean. There is to be no writing inside or outside the lockers. Glue, stickers and tape are never allowed. **Students should not give their locker combinations to others and may not trade lockers without the permission of school administration.** Lockers are to be opened and closed quietly and kept orderly. Food items should not be kept in lockers for more than one day. **Lockers may not be decorated for birthdays, sporting events, etc.** If unable to fit in lockers, jackets and book bags may be stored in the backpack room. **Books, binders, etc. may not be left in the hallway at any time.** A \$5 fine will be assessed for items left in the hall. Students may be fined for damage to the locker. Lockers are subject to search in the interest of school safety, sanitation, discipline and/or enforcement of school regulations.

### **Books**

In order to keep textbooks in good condition and cut down on unnecessary replacement costs, students are expected to keep their textbooks covered all year. **A fine of \$2.00 will be assessed for uncovered books.** No contact paper of any kind may be used. Textbooks will be checked out to each student for each class. The teacher will record the condition of the textbook.

Students will reimburse the school for any damage that occurs to the book or will be charged the replacement fee.

### **Lost and Found**

The lost and found box is located in the office. Any found items should be brought to the office and given to the secretary. Items will be kept until the last school day of each month. At the end of each month unclaimed items will be given to charity. If you are looking for a lost article, please check the lost and found.

### **Parties**

Parties are a rare occurrence since they take away from the educational time of the students. Classes may have parties for school-related events. Permission for other parties must be sought from the principal. **Parties for teachers are not allowed.**

Parties for individual student birthdays are not permitted. **Parents are encouraged to make arrangements for birthday parties outside school time. Students should not deliver invitations to friends at school, especially if only selected students are involved. Flower or balloon bouquets may not be sent to school for birthdays or other special occasions.**

### **Personal Items and Materials**

**The school takes no responsibility in replacing any lost or damaged items.** Personal items (toys, spinners, fidget cubes, etc.) that distract from the learning environment will be deemed a nuisance item, confiscated and returned at the end of the school year.

### **Electronic Communication Devices**

Students are prohibited from using personal electronic devices during the school day (7:55am-3:00pm, including lunch). These include, but are not limited to the use of cellular phones, pagers, smart phones, music and media players, gaming devices, personal laptop computers and personal digital assistants, etc. A student who chooses to bring an electronic device must keep it in the off position and in his/her locker. Electronic readers/tablets can be used for **reading only** and **at the discretion of the classroom teacher.**

Saint John the Baptist Middle School recognizes that many parents/guardians have provided electronic devices to their children. Texting, taking photos or videotaping on school property during the school day is not allowed. **Electronic communication devices may not be used as a daily means of determining pick up and drop off and/or making social arrangements.** Each student should know his/her family/carpool's pick up procedure prior to arriving at school. Electronic devices being utilized during the school day will be confiscated and only returned to the student's parent/guardian. After the first confiscation, the electronic device may be kept until the last day of school. Saint John the Baptist Middle School assumes no responsibility for recovering or replacing lost, damaged or stolen items.
