Dear Students,

Below, you will find the list of the summer Newsela reading articles. They can be done in any order. Once you have read the article, please click on the “**Activities**” tab in the right corner. Next, click on the “**Quiz**”. It is only four questions. Once you have completed that, you are done with that article. Simple, right? Don’t forget to look at the other side of this paper for login directions. I hope you enjoy reading them.
