

ATTENTION CURRENT AND FUTURE ALTAR SERVERS

Mandatory altar server training for all new and current altar servers for both parish and school Masses.

Everyone who wants to be an altar server must attend training. We will be offering four trainings this spring and four in the fall, the fall dates will be announced at a later time. To continue altar serving in the parish and at school masses you must attend **one** of these eight trainings. At the end of our final training in August, those who did not attend a training will be removed from the schedule and ability to serve until they complete a future group training. Group trainings will be held every 4-6 months. At least one parent of the server is to attend the training so that they can help reinforce and work with their child to learn procedures.

Please arrive at least 10 minutes before training begins so that we can start on time. All altar servers must be baptized Catholics who have received their First Holy Communion.

Thank you for your support and we look forward to seeing you!

Listed on the next page are the spring trainings.

Training will be held in the Church at the following dates and times:

- Thursday, May 20th at 3:30 or 7:00 pm
- Saturday, June 12th after the 5:00 pm Mass
- Sunday, June 13th at 9:45 am.

Please bring this form completed to training. Please complete one for each server.
