

JUAN DIEGO CATHOLIC SCHOOLS

Dear parents and guardians,

In an effort to simplify our parent volunteer program across our three schools, we will be moving towards a new campus wide **family volunteer program** for the 2023-2024 school year. Our family volunteer program will come with a robust login system for your family volunteer hours as well as new incentives to help families reach their annual volunteer goals.

Continue to watch for more information regarding our new campus wide volunteer program in our schools weekly parent communications. Meanwhile, you can get a jump on next year's volunteer hour requirement by completing the following items by their listed due dates:

2 family volunteer hours earned for completing your online re-enrollment process, making the re-enrollment payment and completing the online Tuition Information Form by March 6, 2023.

1 family volunteer hour earned if you will be applying for financial aid, and complete the application along with the submission of the required documents by the April 18, 2023 deadline.

2 family volunteer hours earned by returning your signed Policy Contract by the due date listed on your contract. (Most contracts will be mailed to families beginning in April).

Our campus families volunteering in support of our schools is so very important for the vitality of our community here at the Skaggs Catholic Center. It is through our volunteers that class projects are created, sports teams are supported, field trips are chaperoned, Science Fairs have judges, and our faculty and staff are appreciated throughout the year...just to name a few. We are most grateful for your service to our schools and we look forward to implementing our Family Volunteer Program for the upcoming school year.

Sincerely,
